We strive to create an inclusive online experience and are dedicated to making our digital marketing services and products easy to access for everyone.

This Accessibility Statement outlines the steps we have taken to ensure our website meets or exceeds accessibility standards and our ongoing efforts to improve accessibility on the **Wix** platform.

1. Commitment to Accessibility

We are dedicated to providing a website that is accessible to the widest possible audience, regardless of technology or ability. Our goal is to adhere to the **Web Content Accessibility Guidelines (WCAG) 2.1**, which are internationally recognized standards for website accessibility. We have designed our website with features intended to improve usability for people with disabilities.

2. Accessible Digital Products

Since Goo Faceless Marketing specializes in selling digital products, we make every effort to ensure that these products, including e-books, courses, guides, templates, and other downloadable items, are accessible. We implement the following practices to ensure accessibility:

- **Descriptive Alt Text:** All images and visual content on our website and digital products include descriptive alt text to ensure screen reader users can access the information.
- **Video Accessibility:** Our video content includes captions and transcripts when applicable to ensure accessibility for those who are deaf or hard of hearing.
- **PDF Accessibility:** Our downloadable PDF documents are designed with accessibility in mind, featuring readable text, accessible forms, and proper structure.

3. Accessibility Features on Our Website

- **Contrast and Colors:** We use high-contrast colors for text and background to help users with low vision or color blindness.
- **Responsive Design:** Our website is mobile-friendly and adjusts to fit different screen sizes, making it accessible across a range of devices, including smartphones, tablets, and desktops.
- **Accessible Forms:** All forms on our website are accessible, including proper labeling, instructions, and error messages to assist users in completing fields.

4. Wix Accessibility Features

As our website is hosted on **Wix**, we take advantage of the accessibility tools and features available within the platform, which include:

- **Wix Accessibility Wizard:** We utilize the **Wix Accessibility Wizard** to assess and improve the accessibility of our website continuously. This tool helps us identify and fix potential barriers for users with disabilities.
